The Odt now requests that the allowance may be enhanced to Rs 150 as existed before from the date of his assumption as the Odt of the aforesaid office (2-11-1943)

The post of the Odt, viz Mr CK, Allypore is held by an officer of the Grade of a Deputy Commissioner. The present Odt, Mr Ramachendra Rao Phombay is getting a pay of Rs 800 as III class Dy Comm with a Duty allowance of Rs 75 Pm. He is also in receipt of a Conveyance allowance of Rs 50 Pm for looking after the Rood Supply operations in Dryfore city

Submitted for orders

Of the new request that the duty allowance of Rs 75 which he is given might be enhanced to Rs 150 as existed prior to the year 1937 there is a fact that the work of the President Corpn of Mdl & the chairman, C I T is appreciably increased, may to schemes of expansion in the city since this is a general question about which orders were recently passed in the Secrett, the reply will be to await for that Secrett

10 The Duty Allowance to the Municipal Commissioner, Bangalore, is only Rs 75/- and Bangalore is much bigger than Mysore

11 In his letter, the Municipal Commissioner says that Deputy Commissioners get Rs 150/- as T A , and therefore he should be restored the old allowance of Rs 150/- The Deputy Commissioners' T A is regulated by their travelling and they have to incur camp expenses, staging bungalow fees &c , which the President does not incur

12 Further, the Municipal President, Mysore, has been recently given a conveyance allowance of Rs 50/- i e , he gets Rs 75/- + Rs 50/- = Rs 125/-

13 No case is therefore made out for any increase since recently a C A of Rs 50/- has been sanctioned

SUBJECT - Enhancement of Allowances attached to the Offices of the President, City Municipal Council, Mysore and of the Chairman of the City Improvement Trust Board

--- 0 ---

The President, City Municipal Council, Mysore states that the Duty Allowance of Rs 150/- p m drawn by the President prior to 1931 was reduced to Rs 75/- p m in accordance with Government Order No Fl 2320-70/S & A 123-31-1 dated 2-10-31 and that the same amount is being drawn by him even now, although in other departments these allowances were later on restored, due to changed conditions He further states that, he has been entrusted with manifold duties and that, in view of the increased activities in the city, he has to traverse ~~great~~ over long distances in the city every day with the result that the motor car consumes a large quantity of petrol - not to speak of the repairs for wear and tear to be frequently attended to He therefore requests that the Duty Allowance of Rs 150/- drawn by the President may be restored with effect from 2-11-1943, the date from which the present President (Mr R Ramachandra Rao Bhombore) took charge of the said office, the extra expenditure on this account being met by both the Municipal Council and the Trust Board in the proportions of $\frac{2}{3}$ and $\frac{1}{3}$ respectively

2. The Financial Secretary who was consulted in the matter has stated that there is no justification to increase the allowances in view of the grant of a conveyance allowance of Rs 50/- p m recently for attending to the work relating to the food operations in the city

3. When the file was submitted to the Minister for Revenue and Law, he has expressed the opinion that the Conveyance allowance of Rs 50/- p m now granted is utterly insufficient in the present day conditions, when the prices of petrol and all motor accessories have gone up tremendously, that it is justifiable to increase the allowances and that the Duty Allowance of Rs 75/- and the Conveyance Allowance of Rs 50/- may each be increased by Rs 25/- p m with effect from the date of the issue of the Government Order, the extra expenditure being met by the two bodies as hitherto

(4) The Dewan is agreeable to the above propo al The papers are circulated for the opinion of the other Ministers in Council

Final Note by the Minister for Revenue and Law

Subject — 35) Enhancement of the allowances attached to the offices of the President, City Municipal Council, and of the Chairman of the City Improvement Trust Board, Mysore

36) The duty allowance of Rs 150/- per mensem drawn by the President, Mysore City Municipality prior to 1931, was reduced along with the allowances of other officers in the State to Rs.75/- per mensem in the year 1931, on the recommendations of the Retrenchment Committee

37) The President has now represented that the allowance at the reduced rate is still being continued, while in other Departments the allowances have been subsequently restored to a greater or lesser extent owing to changed conditions He has also stated that consequent on the expansion of the activities of the Municipality and the Trust Board in recent years, the average monthly expenditure on the maintenance of a Motor car has risen up to Rs 150/- in the present abnormal conditions

38) He has, therefore, requested that the duty allowance may be restored to Rs 150/- per mensem with effect from 2nd November 1943, the extra expenditure on this account being met by both the Municipal Council and the Trust Board in the proportion of two-thirds and one-third respectively

39) The duties of the President, Mysore City Municipal Council have enormously increased during the last few years He is also the Chairman of the City Improvement Trust Board, Mysore The present conveyance allowance of Rs 50/- per mensem is totally inadequate, particularly as the prices of Petrol and various Motor accessories have risen enormously It is, therefore, proposed to increase both the present duty allowance of Rs 75/- and the conveyance allowance of Rs 50/- per mensem by Rs 25/- per mensem with effect

A 1

68) He incidentally requests that this order (increasing his allowance) may be given retrospective effect Re this it has already been decided that the increase cannot be given with retrospective effect The then Minister (Mr O Pulla Reddy) has observed as under -

> "The increase to take effect not from 2-11-1943 but from the date of issue of the Government order "

There appears to be no need therefore to revise the order

70) The President further states that a C A may be sanctioned to the President of the Municipal Council and Chairman of the Trust Board in addition to the present duty allowance of Rs 75/- I do not think this

Sir,

Subject - Regarding the Duty Allowance attached to the salary of the President, City Municipality, Mysore, who is also the Chairman of the City Improvement Trust Board

---

I have the honour to state that prior to October 1931 a Duty Allowance of Rs 150/- p m was drawn by the President and Chairman to meet the charges of conveyance in maintaining a car This allowance was reduced to Rs 75/- p m with effect from 1st October 1931 in pursuance of Government Order No Fl 2320-70/S & A 123-31-1 dated the 2nd October 1931 based on the proposals of the Retrenchment Committee, in respect of the duty, local and other allowances paid to the several classes of officers as indicated in the said Government Order Since then, the same rate of allowance viz , Rs 75/- p m is being drawn by the President, two-thirds of the allowance being paid from the funds of the Municipality, and the remaining one-third, being met by the Trust Board, although in other Departments these allowances were later on restored, due to the changed conditions This reduction in the allowance did not affect much in those good old days, when the price of petrol and the necessary accessories of the car were very cheap and there was not much inspection to be done involving frequent moving about the city The activities of the Trust Board have of late enormously increased, and the City Improvement has been taken up on an intensive scale Several new extensions, such as Yadavagiri, Paduvarahally and Bannimantap are under progress and several big schemes such as formation of Elgin Fountain Road, Under-ground drainage etc , are on hand as a result of which, a large number of acquisitions have to be made Side by side, the corresponderce has also increased In view of t

increased work a necessity was felt for the appointment of a Special Land Acquisition Officer The questions connected with the acquisitions and other matters pertaining to the improvement of the City involve frequent tour for spot inspections

The work of the Municipality has also correspondingly increased, as the Municipal Revenue and expenditure have grown up by leaps and bounds Several Sub-Committees have been formed and the proper working thereof has to be supervised The Municipal Farm which has since come into existence is developing in importance yielding a good revenue of about Rs 50,000/-, and it therefore requires constant supervision The Engineering works of the Municipality are carried out to the extent of nearly Rs 2½ lakhs of rupees Many of the major works, require to be inspected The Sanitary improvements and other health matters require close supervision

In view of the increase of work, the Municipal Council has felt the need for strengthening the establishments and the appointment of a Personal Assistant to relieve the President of the work connected with routine duties and heavy correspondence, so that better attention may be paid by the President to other important items of work and proposals have been submitted to Government in this connection

Besides the above, the President has been tackled with manifold duties as indicated below -

(1) He is the Vice-President of the Government Ayurvedic & Unani College

(2) He has been appointed as Director, Akashvani, since Sept 1943

(3) He is the Chief Rationing Authority

(4) He is a Member, Gunamba Maternity and Child Welfare Trust and S P K A of Mysore City

(5) Chairman, Nanjaraja Bahadur Chattram Committee

(6) Chairman, Ambale Anniah Pandit's Dharmasala Committee

(7) President, City Scout Council, Mysore

(8) President, Mysore City Municipal and Trust Board Co-operative Society & Stores

(9) Vice-President, Mysore City Literacy Council

(10) Chairman, Mysore City Tuberculosis Association

(11) Member of the Managing Committee. Vocational Institute for Wom

(12) Chairman, Poor F

(12) Chairman, Poor Feeding Committee (in connection with His Highness' Donation)

(13) Chairman, Mysore City Poor Feeding Committee (Doles)

(14) President, Mysore City Poor Students Feeding Committee

(15) Chairman, Mysore City Food Council

(16) Chairman, Mysore City War Fund Committee

All these duties have devolved on the President heavy work and responsibility It has become therefore quite obligatory to move about in the mornings almost everyday, and the car has to traverse from one end of the City to the other with the result that it consumes a great quantity of petrol and the repairs for the wear and tear have to be frequently attended to The price of petrol as also of the motor parts have gone abnormally high on account of war conditions and hence the duty allowance now paid is quite inappropriate with changed conditions and very inadequate to meet the heavy expenditure It is experienced that the average monthly cost towards maintaining the motor car goes above Rs 150/-, so much so the extra expenditure is met out of the President s pocket

In this connection, it may be stated that the Deputy Commissioners of Districts are allowed to draw the minimum T A of Rs 150/- p m on account of the abnormal conditions Since an Officer of the status of Deputy Commissioner is posted to the charge of this City Municipality the same concession has to be extended to him by allowing the increased rate of duty allowance which was formerly paid

In view of the abnormal conditions created by the war and heavy petrol and other charges and also of the heavy duties and responsibilities devolving upon the President, necessitating his moving about in the City daily, there is every justification at least in restoring the old allowance of Rs 150/- p m which was being paid prior to October 1931,

the increased rate of allowance being allowed to be drawn with effect from 2nd November 1943 from which date I have been in charge of this office

In these circumstances, I request you to be so good as to place these facts before Government and obtain their kind sanction to allow me to draw the increased rate of allowance at Rs 150/- with effect from 2nd November 1943, the two local bodies meeting the charge in the ratio as hitherto

I have the honour to be,
Sir,
Your most obedient servant,

PRESIDENT 15/1/43

ORDER NO L-9930-2- ~~M-88-44-96~~ M-11-44-96

Prior to 1931, the President, City Municipal Council, Mysore who is also the Chairman, City Improvement Trust Board was in receipt of a duty allowance of Rs 150 p m and this allowance was reduced to Rs 75 p m on the recommendation of the Retrenchment Committee He has now represented that he is still in receipt of the allowance at the reduced rate while, in other departments, the allowances have been subsequently restored to a greater or lesser extent owing to changed conditions and that consequent on the expansion of the activities of the Municipality and the Trust Board in recent years, the average monthly expenditure on the maintenance of a motor car has risen up to Rs 150 in the present abnormal conditions He has, therefore, requested that the allowance in question may be restored to Rs 150/- p m with effect from 2-11-43

Sir,

With reference to Government Order No L 9930-2/M1 11-44-96 dated 4th April 1945, directing that both the duty allowances of Rs 75/- drawn by me as President of the City Municipality and the conveyance allowance of Rs 50/- drawn as Ex-officio Chief Rationing Officer be increased by Rs 25/- p m , the extra expenditure involved on this account being met by the Municipal Council and the Trust Board in the prescribed proportion, I have the honour to submit that the C A of Rs 50/- drawn by me as Ex-officio Chief Rationing Officer is unconnected with my duties as President of the City Municipal Council and the Chairman of the Trust Board inasmuch as this allowance will automatically cease with the cancellation of the rationing work in the City As such, the increase of the C A of Rs 50/- which I am paid for rationing work by Rs 25/- to be met out of Municipal and Trust Board funds in the prescribed proportion may not be a legitimate charge on the local bodies I, therefore, request that a C A of Rs 75/- may be kindly sanctioned to the President of the Municipal Council and Chairman of the Trust Board in addition to the present duty allowance of Rs 75/- to be met in the prescribed proportion as the duty allowance of Rs 75/- that the President is now paid is for the additional charge of Trust Board work

2 The Government in their order under advertance have been pleased to observe that "The duties and responsibilities of the President who is also the Chairman of the City Improvement Trust Board have increased considerably in recent years consequent on the expansion of the activities of the Municipality and the Trust Board I request that they may be pleased to take the same into their kind consideration as also the fact that I am endeavouring to discharge the duties and responsibilities to their satisfaction and

kindly sanction the said combined allowance of Rs 150/- with effect from 2-11-43 the date of my taking charge as already prayed for by me

3 As regards continuing the C A of Rs 50/- for the additional duty as Chief Rationing Officer, I leave it to the kind decision of Government whether for this additional and onerous duty I am discharging, I deserve the allowance or not. I shall be grateful if this is continued so long as the President of the Municipal Council and Chairman of the Trust Board is also the Chief Rationing Officer in Mysore City

I have the honour to be,

Sir,

Subject Grant of conveyance allowance to the President of the Municipal Council and Ex-Officio Chairman of the Trust Board

--

With reference to your letter No L 8901 dated 5-3-46 intimating the orders of Government that the grant of conveyance allowance in addition to the duty allowance to the President and Chairman of the Municipal Council and Trust Board is not called for in view of the fact that having regard to the comparative small area of the City, the Trust Board works could be inspected simultaneously during the course of municipal inspections, I have the honour to state that I am in receipt of only a duty allowance of Rs 100/- sanctioned in G O No L 9930-2/ Ml 11-44-96 dated 4th April 1945 and no conveyance allowance either as President of the City Municipality or as Ex-Officio Chairman of the Trust Board is given The duty allowance given, is intended only for the additional and onerous duties devolved on the Municipal President and Ex-officio Chairman and this may not be taken to include conveyance allowance also The City area has considerably expanded by leaps and bounds due to the formation of several extensions and it is more than 1½ times of what it was previously Many important roads have recently sprung up and the total length thereof is nearly six hundred miles, including tarred and metalled roads The activities of the Trust Board have very much increased as may kindly be seen from the marginally noted figures relating to the expenditure, on account of the

several improvements undertaken, besides the heaviness of work in the municipality, necessitating the frequent moving about on inspection duty

In view of the fact that the quantum of work of the Trust Board and the Municipality have vastly increased to nearly two-fold, it is found difficult for one Officer to cope up with the whole work involving serious physical and mental strain Besides the President of the Municipal Council has got several other functions to discharge, such as, supervising Akashvani Indian Red Cross Society, Gunamba Maternity and Child Welfare Centre, Government Ayurvedic and Unani College and the City Scout Council etc For attending to all these duties, the President has to go round more than 40 to 50 miles a day on his car for satisfactory supervision over the works in question I need hardly say that the cost of maintaining a motor car now-a-days has gone abnormally high on account of the high prices of petrol and motor accessories, and it would make a heavy inroad on my pay to an extent of Rs 150/- towards repairs and maintenance of the car The President was in receipt of a duty allowance of Rs 150/- prior to October 1931 at the time when the conditions were normal and there was less work; Now that the level of prices has gone up very high and the City area has expanded and the work has enormously increased in all directions, besides the President being tackled with several other duties, the request for grant of a separate conveyance allowance of Rs 75/- is for the kind and sympathetic consideration of Government

For the foregoing reasons and in view of my just claim, I once again request Government kindly to reconsider their orders and order for the grant of a conveyance allowance of at least Rs 75/- p m with effect from April 1945
